The Eastern National Livestock Show is pleased to announce that the premiums offered for the 1964 Show are over \$50,000.00. The grand cooperation of the Maryland State Fair Board makes this possible. This year the Fair Board has awarded \$26,055.00 for Fall Show and \$2,022.00 for the 1965 Spring Hog Show. The State Fair Board composed of Frank D. Brown, Jr., Chairman, Port Deposit; Fred C. Ernst, Vice-Chairman, Clear Spring; Richard N. Wills, Secretary, McDonogh; Albert J. Bailey, Hebron; John M. Crum, Frederick; E. Richard Hough, Sr.; W. Lawson King, Gaithersburg; Harry H. Rieck, Preston; Earl C. Robertson, Cumberland; R. Nelson Phelps, Executive Secretary, Timonium, has been very generous.

In addition to the Fair Board the Eastern National Livestock Show is very appreciative of the support of the various beef cattle, swine and sheep breed associations and individuals and organizations who have supported this activity.

Your Directors are continually striving for improvement. We sincerely hope you will enjoy the 18th Eastern National.

## *A Huxley Turns Farmer*

Susan Huxley, 20, granddaughter of British biologist and author Sir Julian Huxley, poses with some of the blooded livestock from the Ohio farm of industrialist Cyrus Eaton, where she is now employed because "I've always been crazy about animals." The photo was made at the American Royal Livestock show at Kansas City, where Miss Huxley is grooming and showing steers.

# Player Won't Let Her Hand

She was born with her arm missing about halfway between elbow and wrist. Donna places the stub of her left arm into the bell of her horn and uses it as a mute. (The French horn player usually makes a fist of his right hand to accomplish this.)

"Donna has exceptional talent, she'll go far," said Leo

Imperial, director of the Granby High band.

Donna was chosen "first chair" in the Virginia All-Regional Concert Band and she is one of three student members of the Norfolk Symphony Orchestra.

She made the grade although she plays on a single horn instrument — not suited for symphonic orchestrations.

# The Eastern National

---

---

The Eastern National Livestock Show, fourth largest livestock event in the nation, actually had its beginnings 34 years ago. In 1928, a handful of forward-thinking citizens, most of them cattle raisers or meat packers, organized the Baltimore Livestock Show and held their first exhibition at the Baltimore Union Stock Yards.

In the first year, nearly 2,000 head of livestock were shown and later auctioned off for \$247,000. A new world's record of 50 cents a pound for the grand champion load of fat cattle was achieved in that year . . . It has been exceeded many times since then.

The Baltimore Livestock Show continued at the Baltimore Union Stock Yards through 1946. The next step was taken in 1947.

Limited because of the facilities at the stockyards, the show group decided to make a move to the more spacious Maryland State Fair Grounds, where the huge barns, judging pavilions, restaurant facilities, sale rings and grazing fields offered the finest facilities to exhibitors. The name also was changed to the Eastern National . . . indicative of the show's expansion to something more than a local or area exposition.

Throughout the years, the objective of the show has been **quality**. This emphasis has apparently proved successful because the Eastern National has become the largest and finest livestock show in the East. Paralleled with this advance has been the rise in Baltimore's position in the livestock shipping and meatpacking industry to eighteenth in the nation and second in Maryland industry.

Then, too, the Eastern National also stresses the importance of young livestock breeders. Such emphasis has resulted in the show becoming the culmination of all 4-H and FFA livestock endeavors in Maryland and many adjoining states.

Over 200 4-H/F.F.A. members will be exhibiting 400 head of beef, sheep and swine projects at this year's show.

The Eastern National contributes to the strong trend toward a livestock economy in the territory it serves. It provides a medium of stimulus to the greater production of meat for Eastern consumers and also provides a special stimulus to the improvement in the quality of animals. It is one of the twelve regional shows of the country as recognized by the various Breed associations, and is the only regional show located in the East.

The Eastern National is supported almost entirely by memberships . . . by breeders, cattle feeders, the meatpacking industry, marketing agencies, businesses, and interested organizations.

## REPEAT CUSTOMERS

103 REPEAT customers have purchased 545 head of breeding stock from Monocacy. 56 REPEAT BULL BUYERS have purchased 171 bulls.

### WEIGHT FOR AGE AND TRUE BEEF TYPE

Both are essential for profitable production. The first 130 calves by Ankonian Monocacy 2" had av. adj. weaning weight of 489 lbs. (P.R.I. requires 475 lbs.) and graded 13.31. (13 is choice, 14 is high choice). The calves of one son were 491 and 12.6 and of another 519 and 13.1. Judging by his own weight and grade and those of his close up ancestors, the calves of H. H. Executive 13" should do as well or better.

Monocacy bulls and cows have produced 17 GRAND CHAMPIONS, 13 other champions, and 11 top selling animals. Our bulls topped Maryland Interbreed weight tested bull sale in 1960.

## E. Brooke Lee Reports—

# WHY POLLED HEREFORDS ARE FOR US

Polled Hereford Registrations increased 57% in 1963 over 1962—the greatest gain of any major American Beef Strain or Breed.

68% of the 1,800,000 Polled Herefords that have been registered in America have been registered during the last 10 years.

### 1963 REPORTED POLLED HEREFORD AVERAGES ALL UP

In 1963 reported public sales 17,545 Polled Herefords grossed \$10,088,955 for an average of \$575, which is \$72 more per head than the 1962 average.

The average sale price of Polled Hereford Bulls at auction in 1963 was \$681—a gain of \$84 per head over 1962.

Feeders no longer ask whether the Hereford feeder calves they are considering are dehorned or Polled Herefords. That means that the Polled Herefords have reached the full carcass partnership in the great, strong, and useful, as well as the most numerous of the American Beef Breeds.

Our hope continues to be to become a recognized source for young, healthy, well bred, strongly built, good gaining Registered Polled Herefords with the quality and type to do well and make money for their purchasers.

Our cattle and farming operation is one of the larger in the East, and must be efficient and profitable as well as enjoyable. We raise 95% of our feed, with normal weather, and have cattle that do well on home grown feeds and local pasture. We give our cattle good care and attention, but do not highly fit them for sales. Clean pedigrees through AHA research test.

Accredited herd against Bangs and TB.

We are stocked, equipped to raise the feed, and are organized to offer the best Polled Hereford breeding cattle at reasonable prices.

### TO HEREFORD BREEDERS WHO WANT TO JOIN THE STRONGER SELLING POLLED STRAIN OF THE HEREFORD BREED

Our sons of 100% dehorning and strong dehorning Polled Hereford Bulls, we believe, will put any good horned Hereford herd in the more profitable Polled Hereford business in a matter of a couple of years with the least possible capital outlay. They will also improve the quality and type of many Polled Hereford or Hereford herds.

## **William F. Schluderberg Memorial Classes For Novices**

(Open to Maryland 4-H Club or F.F.A. members exhibiting for the first or second time at The Eastern National Livestock Show, Inc.)

We are pleased to announce the continuation of the William F. Schluderberg Memorial Classes for Novices at the Eastern National Livestock Show as a memorial to the late William F. Schluderberg who was President of our company and Vice President of the Eastern National.

Mr. Schluderberg, or "Mr. Will," as he was affectionately known, was a leader in promoting the interests of the Livestock and Agricultural Industries and was always very enthusiastic in his support of 4-H and F.F.A. Club work.

Because we feel that his efforts and support have contributed in a large measure to the growth and development of this project work in this area, this memorial is established to perpetuate his memory and to continue to encourage the 4-H and F.F.A. boys and girls to greater achievement.

## **ANNOUNCEMENT OF THE ESSKAY DINNER**

The Schluderberg-Kurdle Company will entertain members of the 4-H and F.F.A. groups, County Agents, extension officials at the University of Maryland, and the official judges at the Show at a dinner, Tuesday, November 17, 5:30 P. M.

All winners of the William F. Schluderberg Awards must attend the Esskay Dinner and Program.

Because of the increasingly large number of 4-H and F.F.A. members expected to attend and the limited facilities available, this invitation must necessarily be restricted to the groups mentioned.
